Sikhcess Group

On behalf of the Blood Donation Centre of the Department of Health & Medical Services and the patients who rely on us for blood and blood products, I would like to express my appreciation to the staff and organizers that participated in Sikhcess Blood Donation Campaign held on 14.08.08. Thank you to all donors attended the blood donation campaign. Very special thanks to the whole team for their fantastic job in organizing the drive. The blood drive was wildly successful receiving 70 pints of blood.

I would also like to take this opportunity to invite all staff of Sikhcess to participate in this charitable life saving practice. It is critical that the country's community leaders support local efforts to maintain the centre's blood supply.

Thank you again to all donors attended Sikhcess Blood Donation Campaign for taking the time to donate blood and give the Gift of Life to others. You can all take console in the thought that every time a life is saved, your kindness and dedication to your community was a part of it.

We are looking forward to your continued cooperation.

Thank you,

Dr. Laila AlShaer
